"Both Andrew and I want to thank you so much for making our wedding so memorable. We've heard so many compliments about how great of a job you did and we must agree. This was definitely not the wedding where people were sitting around bored. All age groups were up and dancing with us and having a fabulous time. Thank you so much and we will definitely be referring you."

"Thank you so much for making our wedding reception a night to remember!! You were nothing but responsive and helpful with suggestions during the planning stages leading up to the "big day". You handled the last minute (or actually, last second) changes in the line-up like an absolute pro and definitely rest our minds at ease the entire night. We were so at ease that we were able to sneak away to the green room quite a bit to recharge throughout the night, without having to worry if the guests were entertained =). We LOVE the Cuban Slide and your innovative ways of getting the crowd going. Thanks so much...we had a blast!!"

"I want to thank you, MixtLive, for making our wedding a memorable and definitely an enjoyable experience. You made the entire day flow with fun, entertainment, and happiness, for I had no worries throughout the events: ceremony, cocktail hour & reception. You surprised us with your live entertainment and guest involvement. More importantly, the guests love the

new dance moves that you taught them. Everyone that I've talked to said they had a blast, especially myself & my beautiful bride. ;)"

"Thank you Joey and Glen, the party was just great, you had everyone on the dance floor most of the evening. Sorry about the lack of a real 'schedule', we just weren't being that formal. I know it made it harder on you, but you covered it so nicely. I really enjoyed the song you sang and that you helped us with the electric slide. Lot's of fun!"

Not one of our guests made it home without dancing it up on the dance floor. We can't thank you enough for making our wedding even more memorable to us! Forever, your good friends...Jamie & Evan Malvestuto"

"Hey Joey, wow! Where do we start? I can't believe how quickly everything went. But we just wanted to tell you what a pleasure it was to have you as our DJ at our wedding. I know we weren't able to get you the CDs with the Greek music but Eli and I were impressed that you managed to play some good ones that actually got my side of the family to do our traditional dances. You definitely created the mood and you definitely got everyone out there to dance. Thank you for making our day special and the ceremony twice as beautiful. We would definitely recommend you to our friends and family!"

"Hi Joey, thank you so much for all that you did for us. I know there had to be tons of last minute changes that occurred during the evening but we really appreciated your flexibility and your professionalism. You are a great entertainer and you definitely got everyone out there on the dance floor. I just feel bad that it had to end so soon. We would definitely recommend you to our friends who happen to visit southern California and are looking for an excellent DJ. You go JoeBoy!"

"Dear Joey, thank you so much for making our day very special! Your friendly and upbeat attitude during our planning made it a real pleasure to work with you. I know we were stressed but you were a true professional through it all! We loved your music selections. I can't believe you got my parents out there and the rest of the guests who were older. They couldn't stop talking about you guys! When did the 'Cupid Shuffle' come out??? Anyway, keep doing what you're doing because you have an amazing gift. We will definitely recommend you to any of our friends who might be thinking of getting married in the near future."

"Joeboy, I just wanted to say thank you for making our wedding day very special! Everyone had a wonderful time especially when you sang for our guests. They were all surprised! You kept everything going and it was real smooth. The music selections were very well balanced between the various age groups and it looked like no one ever wanted to leave the dance floor. Honestly, I didn't expect any of my relatives to dance but whatever you did that night, keep doing it because it's working!"

"Hey Joey, thanks for DJ/MCing our wedding. You guys were dope! Couldn't believe that we pulled this off in two weeks. Thanks for coming through when our DJ bailed out on us. You were on top of things, professional, and were organized through all the last minute stuff. Man, I can't believe you got everyone out there to dance. Dude, how many line dances do you know! The cupid shuffle was a big hit and I liked how you did the electric slide to that remix of the 'Way I Are'. Most definitely I'll refer you to friends and fam that need your assistance."

Thanks again,

"Thank you so much! WE HAD A BLAST! That was one of the best parties we ever had a pleasure of having. We just wish that we would have know of you and your group years ago....for we would have hired you to MC/DJ all those parties and our parties to come. You guys are AWESOME! All of Jem's friends, my friends and our families are still raving over how awesome you guys were....music was a very good mix and the dance lessons are a big hit even to the "oldies" :D like me...?! and the surprise singing! Jem was so surprised and she said that it was a very good performance.

You promised us good ...fun entertainment and we got more than that...we got the "EXPERIENCE" and memories that will last us a lifetime and you and Glen made sure of that!

Thanks again....and you will see us again and again...for we will be "loyal" customers! Thank you!"

"Joey and the other gentleman whose name I can t remember were amazing DJ s. They accomodated any song choices for us. Joey tried to get the party started and kept up his enthusiasm throughout the night with his hands on dancing and energetic presence. Everyone was impressed with their professionalism. The only thing that could have been better was the elevator music they played during dinner, it was low instrumentals. They could have played some Sinatra or Tony Bennett."

Hello Joey,

I apologize for the late response, but I am just now catching up after coming back from the honeymoon.

You can quote me as saying you were very professional, courteous, and helped make our wedding reception "a hit". You were able to get people out dancing for the first time in years. I would most definitely recommend your services and may be calling again myself for other DJ needed functions (like my retirement in a few years). Take care and GOD Bless.

Sincerely,
